

**‘Science Rocks!’ with discoveries, experiments, hands-on projects and family fun!**

Budding scientists and curious minds of all ages are invited and encouraged to enjoy a fun-filled afternoon of exploration on **Sunday, October 22, 2017 from noon to 3:00 p.m.** The goal of ‘Science Rocks!’ is to engage young learners in all aspects of science—from biology, earth and health sciences to aerospace and engineering!

Please consider becoming a vendor for ‘Science Rocks!’ to highlight your organization’s specific science area and to engage young learners with labs or hands-on activities.

**Areas of science secured to date:**

Aerospace  
Physical  
Life  
Earth  
phlebotomy

**Activity name:**

experiment with gravity by LORD corporation  
TBD by Erie Day School  
bubble-ology to resemble a cell membrane by Erie Day School  
TBD by Erie Day School  
Blood type compatibility with the Blood Bank

**And more!**

**Other information:**

- The event is free and open to the public.
- There will also be a ‘mural creation station’ where children are invited to illustrate an aspect of science, such as animals and plants living in a habitat or the solar system.
- Attendees can also enjoy the school’s campus including personalized tours by faculty.

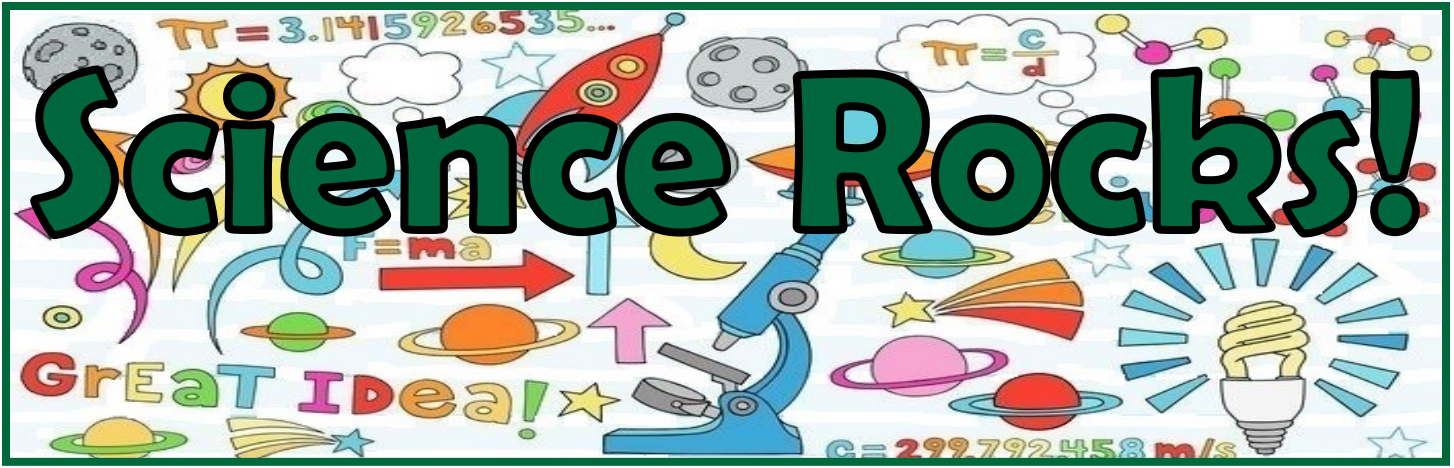

**Your vendor booth participation will help assure the success of the ‘Science Rocks!’ and will assist in offering attendee an opportunity to learn today and lead tomorrow.** Attached is the Vendor Application that includes the details. Please do not hesitate to contact me with any questions or concerns. Thank you for your consideration!
