A Note of Gratitude

In his 2014 poem, "When Giving is all we Have", Alberto
Rios wrote,

*"We give because someone gave to us.
We give because nobody gave to us.
We give because giving has changed us.
We give because giving could have changed us..."*

*What you did not have, and I gave you
What I had to give – together, we made
Something greater from the difference."*

As we conclude 2023, and prepare to depart for the
winter break, I want to take a moment to express my
heartfelt gratitude to each and every one of the school
community members, our EDS family. Consequence to
your treasured time, talent, generosity, and service efforts
we thrive and excel. From school to home our collective
efforts toward giving educate and progress children to
make a difference in our community and world.

In the spirit of the holiday season, I want to extend my
thanks for everything you give to our school and
moreover, the gift of your child(ren). Each day, I am
reminded of my good fortunate to serve your family.
Together, *we make something greater* at Erie Day School.

Have a safe and joyous winter break.

Respectfully,
