

DISTANCE LEARNING INSTRUCTIONAL PLATFORMS

Early Childhood

- Miss Shelli and Miss Amy's Toddler Class will connect with families via Outlook emails and Zoom. You can download the Zoom App on your phone or device in preparation. FaceTime and phone calls will also be implemented.
- Miss JoAnn and Miss Kristen's Toddler Class will link with you via School Speak, email, Zoom, FaceTime and phone calls.
- *Educational resource bags will be prepared on an as-needed basis.

- Mrs. Straker and Miss Walczak will communicate through SeeSaw, School Speak and Zoom. Educational resource bags will be prepared on an as-needed basis.

- Mrs. Srnka and Ms. Bowser will utilize School Speak for communications as well. Email and Zoom will be utilized as will educational resource bags, as needed.
- Specialty area teachers will utilize School Speak to post suggestions for learning, videos to view, etc. each week.

Lower School

- Miss Stewart's Kindergarten Class will remain connected through ClassDojo, School Speak and online links. Educational to-go bags will be available as-needed. Synchronous learning will occur via Zoom.
- Mrs. McCalmont, Mrs. Golba, Mrs. Giannelli and Mrs. Schreffler will be interacting with young children through ClassDojo and Zoom. Parents should rely on ClassDojo, School Speak and emails for communication.
- The specialty area educators (science, technology, visual arts, performing arts, Spanish and physical education) will utilize School Speak to post suggestions for learning, videos to view, etc. each week.

Middle School

- Each MS educator, grades 5-8 are utilizing School Speak and Zoom for asynchronous and synchronous learning. Mrs. Hartman and Mrs. Tilves will work through Microsoft Teams and Mrs. Temple will implement Outlook and Microsoft Teams. Mr. Gutowski is utilizing Google Classroom. Mr. Silakowski is implementing video tutorials via YouTube for instruction. See emails (students have Outlook email accounts to log into) and School Speak for detailed instructions related to each class. Grades will continue so it will be important that your child maintains interest and connectivity with the MS team.
- Middle School specialty area educators (STEM, visual arts, performing arts, physical education, Spanish and French) will be in contact with parents via School Speak. Stay tuned for announcements.
