

Erie Day School **SUMMER CAMPS**

Summer Math Refresher

Sundays starting June 14

10:00 – 11:30am

Students entering Grade 5 only

\$30 per session

atilves@eriedayschool.com

Welcome to Grade 5!

Mrs. Tilves is looking forward to meeting her incoming students while improving their math skills! Join this camp to review Grade 4 math and to complete the Grade 5 *Summer Math Packet* together. This one-and a-half hour session, 10 – 11:30am is hosted on Sundays, beginning June 14th. Students will meet face-to-face (wearing masks) in the dining room, following social distance guidelines at 6' apart. The Sunday sessions are limited to 20 students and pre-registration is required. Email atilves@eriedayschool.com to secure your child's seat.

*This Summer Camp will be held online until July 1st. Beginning July 5th, students will meet in Mrs. Tilves's classroom.

Summer Math Refresher

Sundays starting June 14

11:45am – 1:15pm

Students entering Grade 6 only

\$30 per session

atilves@eriedayschool.com

Leap before you jump!

Exit Grade 5 in great shape for Grade 6 math skills with the assistance of Mrs. Tilves. Working together, students will complete the Grade 6 *Summer Math Packet* during this guided one-and a-half hour session, 11:45 – 1:15pm. Beginning June

14th, students will meet face-to-face (masks on) in the dining room, following social distance guidelines, 6' apart. The sessions are limited to 20 students and pre-registration is required. Email atilves@eriedayschool.com to secure your incoming sixth grader's seat.

**This Summer Camp will be held online until July 1st. Beginning July 5th, students will meet in Mrs. Tilves's classroom.

Outdoor Explorer Camp!

July 6 - 10

9:00am - 2:00pm

Students ages 7 - 12yrs.

\$190/full week

tstewart@eriedayschool.com

Attention all outdoor enthusiasts!

Join Miss Stewart for one, fun-filled week of exploring the beautiful surroundings on campus at Erie Day School and neighboring Frontier Park. Campers ages 7-12 will learn the basics of how to use nature to fulfill our basic need for food, water, and shelter, as well as use creativity to design nature inspired arts and crafts.

Campers will join Miss Stewart in her love for the outdoors from 9:00am-1:30pm. Campers will begin each day in the classroom learning about outdoor safety, the evolution of camping, along with strategies and skills necessary to enjoy the outdoor lifestyle. After lunch, participants will put "outdoor" skills to the test and embark upon an outdoor adventure and/or game. Campers will need to bring snack and lunch Monday-Thursday. On the last day of camp, Friday, newly acquired knowledge of outdoor cooking will help to make our own snack and lunch for the day.

Campers will need to wear "camping attire" or clothing that is comfortable and appropriate for outdoor weather and activity *as well as a mask*.

Please email tstewart@eriedayschool.com if you are interested in learning the skills necessary to be an outdoor explorer! This camp will be held face-to-face and will be limited to 20 participants. Campers will meet in the front of the school, weather permitting; in the gym if it is raining. If local, state or national mandates change and we are unable to meet in person, unfortunately, this camp will have to be postponed until we are able to do so. Thank you for understanding!

*This in-person Summer Camp will be open pending approval by local/state authorities.

2020 Vision

Tuesday, June 30

11:30am - 1:00pm

Students in Grades 6 - 8

Free

kconnelly@eriedayschool.com

What's your vision for the rest of this year? Your future?

This one-day/one-and-a-half-hour camp is designed for our Middle School students, Grades 6-8 and will be held online, via Zoom.

Mrs. Connelly and Miss Middlebrooks (guidance counselor intern) will guide MS students through the process of setting goals and creating a vision for self. The production of vision boards will be the end result.

Please email kconnelly@eriedayschool.com if you are interested in registering for this free, virtual camp.

Spy Camp / Ultimate Game Week

July 13 – 17

9:00am - 12:00pm Spy Camp

12:30 - 3:30pm Ultimate Game

Students in Grades 1 - 6

\$85/full week, half day - \$190/full week, both camps

atilves@eriedayschool.com

Spy Camp - Join Mrs. Tilves and transform into spies! Together campers will code-break, laser dodge, obstacle train, read fingerprints, and solve mysteries.

Ultimate Game Week - Each day brings new games! From board games, to water games; sports to creating your own game day; participants will play and compete.

Participate in one or both of these camps the week of July 13th. Spy Camp extends three hours, 9:00am - 12:00pm and Ultimate Games are played from 12:30 – 3:30pm. Be sure to bring your mask/lunch if staying for both camps and plan to meet in the dining room. This camp is limited to 20 campers so contact atilves@eriedayschool.com to reserve your spot among sleuths and/or teammates.

*This in-person Summer Camp will be open if permitted by local/state authorities.

Sloppy Science

July 20 – 24

9:00am - 12:00pm

Students in Grades 1 - 5

\$85/full week – half day

atilves@eriedayschool.com

Back by popular demand!

During this hands-on, minds-on week, campers will explore the scientific process and learn about key science and STEM concepts with Mrs. Tilves. Science is brought to life with engaging and interactive science lessons, and we will make sure to get messy and sloppy while enjoying science! Twelve (masked) campers will meet in the middle school science lab so be sure to reserve your seat in the lab by emailing atilves@eriedayschool.com. See you soon scientists! *This in-person Summer Camp is pending approval by local/state authorities.

Flower Power!

July 27 – 31

9:00am - 2:00pm

Campers ages 5 - 10yrs.

\$190/full week

tstewart@eriedayschool.com

The power of spreading peace, love, and kindness not only brings beauty to our world, but also ignites the beauty and happiness within our selves.

Flower Power's main focus will be to learn the importance of being kind and respectful to others and ourselves, so that our future remains colorful and bright. Campers will have the opportunity to learn about historical figures that have inspired others through peace and kindness. Campers will use the central theme to design art projects and tie-dye clothing to remind us of the beauty that results when peace, love, and kindness are present in our lives.

Participants will also connect the beauty of flowers that grow and flourish, just as friendships do, when we treat them with love and kindness. Campers will also learn the tools necessary to connect with their peers and create positive, long-lasting, friendships.

Campers will join Miss Stewart from 9:00am-2:00pm and will need to bring a snack and lunch each day. Dress attire should be weather appropriate and casual, *and must include a mask*. Please email tstewart@eriedayschool.com if you are interested in this week of "Flower Power!" This camp will be held face-to-face in the front of the school's campus or in the gym, if raining and will be limited to 20 participants. If local, state or national mandates change and we are unable to meet in person,

unfortunately, this camp will have to be postponed until we are able to do so. Thank you for understanding!

*This in-person Summer Camp will be available with permission by local/state authorities.

Around the World

July 27 – 31

9:00am - 12:00pm

Students in Grades 1 - 5

\$85/full week – half day

atilves@eriedayschool.com

Did you ever dream of traveling around the world?

If so, this camp is for you! Learn geography and enjoy cultural exposures through literature, crafts, art and so much more with this globe-trotting camp. Contact atilves@eriedayschool.com if you are interested in this in-person summer camp to be held in the dining room, Monday – Friday mornings the week of July 27th. To ensure your campers safety, masks will be worn.

*This in-person Summer Camp is pending local/state permissions.

Math in the Morning/STEM in the Afternoon

August 10 – 14

9:00am - 12:00pm Math and Science

12:30 - 3:30pm STEM

Students in Grades 1 - 4

\$85/full week, half day - \$190/full week, both camps

agiannelli@eriedayschool.com

Do you enjoy math and science?

If you do, this camp is for you! Student participants will apply their morning math and science lessons to the afternoon STEM Challenge activities. Through building and collaboration, students will bring to life the math/science lessons and will design and create a small, hands-on project to problem solve STEM challenges. Students must attend the morning session to participate in the afternoon session. (The afternoon session is not mandatory.) Morning and afternoon sessions will be held in the dining room and up to 20 participants must wear a mask.

Supply cost is additional and will be determined once all campers have registered.

Please contact agiannelli@eriedayschool.com if you plan to join others interested.

*This in-person Summer Camp will occur if given permission by local/state authorities.

Summer Skills

August 17 – 21

9:00am - 12:00pm

Students in Grades 1 - 4

\$85/full week – half day

agiannelli@eriedayschool.com

It's as easy as ABC, 1-2-3!

This camp with Mrs. Giannelli will provide your child an opportunity to brush-up on basic math skills, writing and reading skills and geography basics. Students will discover and reinforce concepts through games, art, music, cooperative learning, literature and problem solving. Motivating activities (while in a mask) will be shared to enhance and combine your child's learning and physical activity in the dining room. Twenty students can register through agiannelli@eriedayschool.com.

*This in-person Summer Camp will occur with approval by local/state authorities.
