

FIRST GRADE SUMMER READING

Dear First Grade Families:

Reading to your child and listening to him/her read to you is a very important part of the first grade curriculum at Erie Day School.

The lazy, hazy days of summer provide the perfect opportunities for you to relax and set aside family read-aloud time with your child.

The book selections cover various types of interests and reading abilities.

Please choose any three books to read from any of the following series:

- * Biscuit Books by Alyssa Capucilli
- * Nate the Great Series by Marjorie Sharmat
- * Elephant & Piggie (any book) by Mo Willems
- * Henry and Mudge by Cynthia Rylant
- * Level 1 & 2 books
- * I Can Read Series (any book)
