## Early Childhood

There is much to celebrate in the springtime among EC children, teachers and families! The Morning Meeting performances and artwork on display remind us how much the children have grown! We are so impressed with the progress, courage and creativity shown as the year ends.

**EC parents please take note** that your child's school year ends on May 30<sup>th</sup>. The final three and a half days of school for LS and MS will be replaced by one half-day option for your child. During one final half day in the first week of June, he/she will participate in a play group and will join an EC teacher for a year-end screening. Parents are welcome to sign up for the play date/screening assessment through the following link:

## Lower School

Lower School learners have benefitted from many off-campus experiences recently. From a visit to EARS for acts of service to Asbury Woods and the Cleveland Zoo in explorations of habitats, our children's awareness of community impact has expanded.

LS parents and children alike are looking forward to Field Day and the Fun Run to come! Thank you, parent volunteers, in advance for your participation and help with these enjoyable events! **All parents are reminded** to log in your service hours in Educate (with 12 required for the school year)!

## Middle School

MS students and parents are encouraged to attend the EDS graduation ceremony at 7pm on June fifth. The celebration on the front lawn will honor of the Class of 2025 and offer incoming fifth, sixth, seventh and eighth graders an opportunity to say farewell, good luck, and see all to come for their own graduation day!

**MS parents, take note:** This year's Spring Fling has a Hawaiian theme. Tropical prints and flip flops are welcome!

**WELCOME, Mr. Fuller, our incoming Headmaster!**  
**Mr. Fuller is on campus daily as the school year ends and preparations begin for 2025-26!**

**We hope to see you at the  
ANNUAL MEETING,  
June 3<sup>rd</sup> at 6:00pm  
in the Kern Dining Room**
