

**Erie Day School's Summer Camps and Educational Programs for children provide enrichment for students who wish to express their creativity, learn a new skill or participate in an athletic experience with new and old friends. Every session is held on campus at Erie Day School.**

- Campers can register for the Erie Day School Summer Camp morning and/or afternoon sessions. Please refer to specific descriptions further in the brochure for specific dates and times.
- All students attending two sequential Camps will need to provide a brown bag lunch (supervision will be provided).
- Please submit your camp payments to the school office following the schedule set below. Each weekly camp tuition is required for all participants **by:**
  - June 7th** for June Camps
  - June 21st** for July Camps
  - July 19th** for August Camps
- **Please make checks payable directly to the *teacher hosting the camp.***
- A one-time registration fee will be collected by the Erie Day School in the amount of \$35. This fee is in addition to the teacher fee for the camp.
- Parents/guardians are to pick-up camp participants at the time each session ends, unless the camper is staying for two sessions. If participating in two sessions, parents/guardians will pick up their child at the end of the second camp.
- Erie Day School's Summer Camps do not provide lunch if a child is attending a morning and afternoon camp/session. Your child is welcome to pack a lunch and beverage and will be supervised by their morning instructor from 11:30 a.m. — 12:00 p.m. or 12:00 — 12:30 p.m.

# Camp Descriptions

All Camps are for students who will be entering the noted grade levels for the 2021-22 school year.

## “¡Vamonos!”

**June 14-18**

A virtual travel adventure to four popular Spanish-speaking countries: México, Costa Rica, Perú, and España (Spain).

Día Uno--Getting ready to go!

Before embarking on our journey, my young viajeros (travelers) will get ready to travel by packing their virtual suitcase and creating a passport that will allow them entry into each country on our itinerary. Upon arrival, viajeros will receive local currency that they will use to purchase boarding passes for travel by air, boat, bus, and train. At each destination, they will learn about the local culture, create arts and crafts, and learn Spanish vocabulary and phrases.

Día Dos--¡Bienvenidos a México!

In Mexico, we will create colorful sombreros and learn the Mexican Hat Dance, or the Jarabe Tapatío! My viajeros will learn about the famous Mexican artist, Diego Rivera, and create a mural based on one of his well-known works of art. We will also make guacamole from scratch following instructions completely in Spanish!

Día Tres—Costa Rica, ¡PURA VIDA!

When we arrive in Costa Rica, we will talk about the biodiversity of this beautiful country, a favorite destination of many North American tourists. Students will create a replica of the colorful carreta (oxcart) used back in the day to transport coffee beans from the farms to market. Students will also learn about the beautiful toucan bird found throughout Costa Rica, and specifically about one named Grecia who lost its colorful beak in 2015 in a terrible accident. Students will also get an opportunity to try a traditional dish called Gallo Pinto.

Día Cuatro—The Wonders of Peru!

We'll travel from Costa Rica to Panama where we'll catch a boat and travel through the Panama Canal and down the Pacific where we'll disembark in Lima, Peru. From there, we'll travel by bus to Cusco, Peru and then catch a train to the ancient Incan city of Machu Picchu, one of the Seven Wonders of the World. Viajeros will also learn about the significance of the Peruvian llama and create llama-themed artwork. Finally, we'll try Peruvian Chicha Morada, a sweet drink made from purple corn.

Día Cinco--¡Viva España!

Our last stop takes us to Spain where we will talk about the history behind bullfighting and the colorful and controversial Spanish matador. We'll also discuss the origins of the Spanish language, Castellano. Kids will learn about the birthplace of the guitar, the beautiful Spanish dancer, Spain's dramatic flamenco music, and Spanish food.

Who: Incoming students in grades 1 through 5

When: Monday 6/14 through Friday 6/18 from 8:30-11:30 a.m.

Where: Señora Sears's classroom

\*\*Students must pack a snack each day and masks are required.

## **SPARK**

**June 14-18**

Does your child like to run, jump, and play? If so, then this is the summer camp for him/her! SPARK is a nationally recognized program aimed to counter heart disease and childhood obesity. The SPARK program emphasizes health-related fitness through cooperative games and activities that are fun and developmentally appropriate for all ages. The camp will be run by Mrs. Gallo, a certified health and

# Camp Descriptions

All Camps are for students who will be entering the noted grade levels for the 21-22 school year.

physical education teacher and a trained SPARK instructor. So, tie up those laces kids and get ready to move! Students must wear masks.

*Grades 1-8, 12:00 pm to 3:00 pm*

## **Math Counts**

### **June 16-August 18th**

Summer Math Counts will be held on Wednesdays in the math classroom and via Zoom. This course is an introduction to the problem solving strategies required for success in math and in preparations for the annual MATHCOUNTS Competition. This summer class is intended for experienced/advanced math students.

*Grades 5-8, 1 pm to 2pm*

## **Basketball Camp (Middle School)**

### **June 21-25**

Mitch Schreffler is currently the Health and Physical Education Teacher at Cathedral Prep. He has also been a basketball coach for many years for various teams. He is also Mrs. Schreffler's husband... our Grade 4 teacher! This camp will provide your child with the opportunity to learn the fundamentals of basketball, work on their individual skills, and gain knowledge of the game. He will develop participants' core basketball skills, such as shooting, dribbling, and passing. This will be done by implementing exciting drills, games, and activities throughout the camp. In addition to skill development, this camp will help expose participants to important life lessons such as good sportsmanship, teamwork, and appropriate peer interaction. All lessons will be brought together to help the participants develop an understanding of how to utilize these new skills whether playing with their friends or on their basketball team. Held in the gym, students should bring: Water, small snack, and mask.

*Grades 5-8, 8:30 am -11:30 am*

## **All Mixed Up!**

### **June 21-25**

Enjoy a fun-filled morning with all different activities to make you smile! Have you ever wanted to try yoga? How about a science experiment? Maybe bake some cookies? We will be doing Kids Yoga, music/dance, baking, science experiments, games, art, and more. Grab a friend and join us for a "mixed up" morning of excitement! Note: If you are staying for an afternoon camp please pack a lunch! Location: 4th Grade Classroom (downstairs)

Students should bring: Water, yoga mat, small snack, and mask. *Grades 1-4, 8:30 am to 11:30 am.*

## **Basketball Camp (Lower School)**

### **June 21-25**

Mitch Schreffler is currently the Health and Physical Education Teacher at Cathedral Prep. He has also been a basketball coach for many years for various teams. He is also Mrs. Schreffler's husband... our Grade 4 teacher! This camp will provide your child with the opportunity to learn the fundamentals of basketball, work on their individual skills, and gain knowledge of the game. He will develop participants' core basketball skills, such as shooting, dribbling, and passing. This will be done by implementing exciting drills, games, and activities throughout the camp. In addition to skill development, this camp will help expose participants to important life lessons such as good sportsmanship, teamwork, and appropriate peer interaction. All lessons will be brought together to help the participants develop an understanding of how to utilize these new skills whether playing with their friends or on their basketball team. Held in the gym, students should bring:

# Camp Descriptions

All Camps are for students who will be entering the noted grade levels for the 21-22 school year.

Water, small snack, and mask. *Grades 1-4, 12:00 pm to 3:00 pm.*

## **Science Camp June 28-July 2**

Back by popular demand! During this hands-on, minds-on week, campers will explore the scientific process and learn about key science and STEM concepts with Mrs. Tilves. Science is brought to life with engaging and interactive science lessons, and we will make sure to get messy and sloppy while enjoying science! Twelve (masked) campers will meet in the middle school science lab so be sure to reserve your seat in the lab asap. Students must wear masks. *Grades 1-5, 9:00 am to 12:00 pm.*

## **Spy Camp—CLOSED June 28-July 2**

Join Mrs. Tilves and transform into spies! Together campers will code-break, laser dodge, obstacle train, read fingerprints, and solve mysteries. Students must wear masks. *Grades 1-5, 12:00 pm to 3:00 pm.*

## **LEGO League July 12-16**

Did you know there is an activity where you build and code LEGO? It's called LEGO League and Erie Day School has its own team. Students at day camp will work with Ms. Peters and participate in fun activities to introduce the LEGO MINDSTORMS EV3 coding software and robot brick. We'll build a driving base for the EV3 brick and learn how to program motors and sensors to make controlled movements to complete missions. If you've wondered what happens at LEGO League - this would be a fun way to learn! Limit of 6\* students. Snack and water will be provided each day. Students must wear masks. \*Number based upon work-

ing robot bricks and supplies needed - to work without sharing.

*Grades 4-7, 8:30 am to 11:30 am.*

## **Flower Power! - CLOSED July 12-16**

The power of spreading peace, love and kindness not only brings beauty to our world, but also ignites the beauty and happiness within ourselves. This week, campers main focus will be to learn the importance of being kind and respectful of others and ourselves so that our future remains colorful and bright. Campers will have the opportunity to learn about historical figures who have inspired generations through peace and kindness. Campers will use their own central theme to design art projects and tie-dye clothing that remind us of the beauty that results when peace, love and kindness are present in our lives and also connect the beauty of flowers that grow and flourish, just as friendships do, when we treat them with love and kindness. Campers will not only engage in activities that revolve around peace, love and kindness, but also learn the tools necessary to connect with their peers and create positive, long-lasting friendships. Campers will be welcome to join Miss Stewart and will need to bring a snack and lunch each day of camp. Dress attire should be weather appropriate and casual. Students must wear masks. *Grade 1—Grade 4, 9:00 am to 2:00 pm.*

## **Around the World July 19-23**

Did you ever dream of traveling around the world? If so, this camp is for you! Learn geography and enjoy cultural exposures through literature, crafts, art and so much more with this globe-trotting camp. Students must wear masks. *Grades 1-5, 9:00 am to 12:00 pm.*

# Camp Descriptions

All Camps are for students who will be entering the noted grade levels for the 21-22 school year.

## **Math & Science/STEM Challenges**

### **August 16-20**

Ms. Giannelli says it's as easy as ABC! Students will apply their morning math and science lessons to the afternoon STEM Challenge activities. Through building and collaboration, students will bring to life the math/science lessons and will design and create a small, hands-on project to problem solve STEM challenges. Students must wear masks. *Grades K-4, 9 am to 12 pm (math & Science) 12 pm to 3 pm (STEM). Supply cost is additional and will be determined once all campers have registered.*

## **Summer Skills**

### **August 23-27**

This camp with Ms. Giannelli will provide your child an opportunity to brush-up on basic math skills, writing and reading skills and geography basics. Students will discover and reinforce concepts through games, art, music, cooperative learning, literature and problem solving. Motivating activities to enhance and combine your child's learning and physical activity. Students must wear masks. *Grades K - 4, 9 am to 12 pm*

## **SPARK**

### **August 23-27**

Does your child like to run, jump, and play? If so, then this is the summer camp for him/her! SPARK is a nationally recognized program aimed to counter heart disease and childhood obesity. The SPARK program emphasizes health-related fitness through cooperative games and activities that are fun and developmentally appropriate for all ages. The camp will be run by Mrs. Gallo, a certified health and physical education teacher and a trained SPARK instructor. So, tie up those laces kids and get ready to move! Students must wear masks. *Grades 1-8, 12:00 pm to 3:00 pm*
